

THE MINI SCAVENGER HUNT

How many of these elements can you find within Chewelah's murals?

There's space beside each clue to write the answer, or you can use that space to write your thoughts about each piece.

The Chewelah Creative District is focused on supporting local artists, makers, performers, and creatives while growing a strong and sustainable creative economy.

By joining the Chewelah Creative District, you'll gain access to unique promotional opportunities and take an active role in shaping Chewelah's creative economy.

Your membership fees will support the operations of the organization as we grow. It's a reciprocal relationship. The more members we have, the more opportunities we can create for our members, thereby creating a stronger creative economy in Chewelah.
